Aerobatic Rating Progress Card

Pilots Name

Gliding Club

This progress card should be kept with your log book and be presented to your instructor before flying.

Clearance to perform solo aerobatics will be granted progressively as the required standard for each aerobatic figure is achieved.

Pilots may only perform solo those aerobatics they have been signed off and cleared to fly. Ultimate responsibility for ensuring that they are competent to attempt to fly any manoeuvre remains with the pilot.

Refer to the BGA Aerobatic Training Syllabus for details of minimum qualifications, flight limitations & pilot currency requirements.
