

# British Gliding Association

## Application for Glider Alternative Display Markings

(Applicable only to gliders registered with the BGA before 28/9/03)

### Glider Details

BGA Number: Trigraph:  
Make and Type: Serial Number:  
Year of manufacture: Is the glider: Vintage or ex-military  
Registered Owners Name:  
Address:

Post code:

Reason for alternate or non-display of registration marks:

Please attach Colour Photograph  
(side view of Glider behind wing  
clearly showing fuselage, fin and rudder)  
Approx 150 x 100mm (6"x 4")

### Important notes:

The BGA number must be displayed on the glider in at least 20mm (3/4") high characters in the following format – 'BGA 0000' in a contrasting colour, this may located be in a discrete location i.e. on the fuselage under the Tailplane to preserve authenticity.

It is imperative that the BGA is informed if the appearance of the glider is altered. A new application for alternative display markings will be required.

Permission is required from the relevant authorities if military markings are to be displayed.

I agree to the above conditions. Signed:.....Owner

-----  
Alternative markings as per attached photograph approved;

Signed.....Date.....  
Chief Technical Officer.
