

For many young people and those with disabilities, there are often few opportunities to help them push the boundaries, and with your help, we can continue to ensure that young people both financially disadvantaged and disabled experience and fall in love with the magic of flight. For example, a small donation of £8 could help us to provide an extra winch launch, or £30 could provide an extra aerotow. Every pound counts!

Gliding should be accessible for all, both physically and financially. With your help, we can continue to ensure that people from all backgrounds are able to take part in the magic of flight.
