

Appendix 2 - BGA club application to carry out training as a BGA DTO site

The completed application should be submitted to the BGA office. Training may take place following confirmation by the BGA office that the site and specified training course have been authorised and listed within the BGA DTO.

BGA Club Name				Site Name				
Training (please circle)	Sailplane Towing		TMG Extension		FI(S) TMG		Launch methods	
BGA Club Local Head of Training Details (usually the club CFI)								
Full Name								
Email Address				Tel No				

I confirm that;

- I have read and fully understand the course programme and associated requirements.
- The instructors used during the course will be listed, including name, licence number and instructor certificate held.
- The aircraft types used during the course will be listed, including their registration markings, and supplied to the BGA DTO office.
- The lists will be kept up to date and readily available at the site or online, and available for inspection by the BGA and/ or the CAA.
- I am aware that the course and DTO site arrangements may be audited by the BGA or CAA.

Local Head of Training Signature	
Date	

BGA USE ONLY – date confirmation sent to Local Head of Training:
