

This application for the issue of a FRTOL is based on the submitted CAA 5003 (Evidence of UK Examination and Test for Grant of Flight Radio Telephony Operator's Licence).

I do not currently hold an SPL. However, I do have an application for an SPL in progress with the BGA, and would like the FRTOL to be shown on that SPL when it is issued to me.

For further information, please contact Liz Pike <lizzie@gliding.co.uk>, or call the BGA on 0116 289 2956.
