### **Declaration of fitness for non-Part 21 glider flying only – not valid for SPL or student pilot solo flight in a Part 21 sailplane**

This may be signed as an alternative to the holding of a driving licence by glider pilots under the age of 25 years flying non-Part 21 gliders. It expires on the 25<sup>th</sup> birthday and if by then a driving licence is not held another acceptable method demonstrating fitness to fly must be obtained.

*I declare that I can read a car number plate at 20 m and do not suffer any medical condition that would disqualify from holding a private driving licence. (In cases of doubt, guidance on the medical standards required can be obtained from the DVLA web site).*
