

MEMORANDUM OF UNDERSTANDING BETWEEN THE BGA AND UK JUNIOR GLIDING

UK Junior Gliding is an independent group of like-minded friends who collaborate with the aim of supporting activities relating to Junior (under-26) gliding in the UK. The UKJG leadership team routinely rotates as individuals age out of Junior gliding. UK Junior Gliding are well placed to support the BGA stated aim of a sustainable gliding club membership.

This memorandum of understanding sets out how the BGA and UK Junior Gliding will establish and maintain a mutually supportive partnership.

The BGA will:

- Actively promote and communicate positively through all BGA communications channels about the partnership between the BGA and UK Junior Gliding and the related activities.
- Provide leadership and support for agreed national initiatives.
- Provide specific administrative and banking support as agreed from time to time within available resources.
- Provide available junior gliding statistics to help to identify areas for action and success of initiatives.
- Highlight any Junior gliding sponsorship/gifting opportunities to prospective sponsors/donors.
- Meet periodically with an appointed representative of UK Junior Gliding to review joint activity, the MoU and any changes that may be required.

UK Junior Gliding will:

- Actively promote and communicate positively through all UK Junior Gliding communications channels about the partnership between the BGA and UK Junior Gliding and the related activities.
- Provide support for agreed national initiatives.
